President's Message

As a "first – timer" at a National WCR conference all I can say is WOW! I had a wonderful time!

I must be honest I was quite nervous. However, being in the company of a Past President, Dea Venne made it a breeze. So I will suggest to anyone that is apprehensive about attending any kind of meetings or conferences just team up with a veteran of WCR! They are very aware of seminar scheduling and the appropriate classes to attend in order to help you - help our chapter.

The pinnacle is the Awards Banquet! What a blast! (And winning the Gold Circle of Excellence Award wasn't too shabby either)! Congratulations to all!

Finally the benefit for me throughout the entire event was the networking/connections/friendships I created with members of WCR across the country! We shared ideas on Membership Recruitment, Educational Panels/Seminars, and Fundraising. More importantly I have received a referral in which I forwarded to another WCR member! I am here to tell you – it works!

I encourage more of our members to attend the November 6th-10th conference in San Francisco!
